Guests are expected to avoid disruptive behavior. Guests violating the Code of Conduct may be denied admission, denied alcohol service or subjected to ejection. Guests are encouraged to contact the nearest representative for assistance with another guest's conduct.

## First Aid

First Aid services in Peoria Stadium are located near the Team Store, inside Gate B. Emergency Medical Technicians are on duty at each Spring Training game starting at gate opening until the end of the game and are also typically located in an accessible seating section near each dugout.

## Gates

Peoria Stadium gates typically open 90 minutes prior to game time. Practice Field gates open at approximately 9 am daily during Spring Training.

## Guest Services

The Guest Services kiosk is located near the Team Store. Guests may obtain information and schedules, register for programs or promotions, request general assistance or express compliments and concerns.

## Parking Ingress

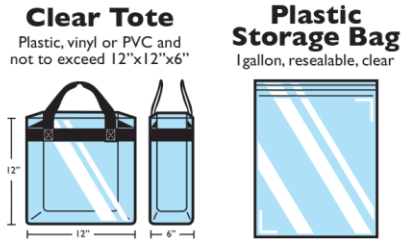

There are three points of entry for vehicle parking at Peoria Sports Complex: Mariners Way, Padres Way and Stadium Way. Mariners Way and Stadium Way can be accessed by 83rd Avenue. Padres Way can be accessed by Paradise Lane. RV Parking can be accessed by Mariners Way. Overnight parking is prohibited.

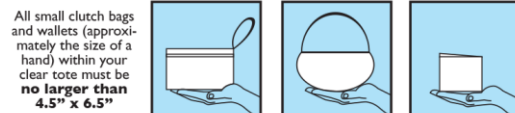

## PEORIA CLEAR BAG POLICY

The Peoria Sports Complex's public safety policy limits the type of bags which you can bring into the stadium. This will speed entry on game days and provide a safer, more convenient day at the stadium.

## Refunds

There are no refunds or exchanges once a ticket has been purchased unless it is subject to the rainout policy.

## Ride Shares

Taxi and ride share services do not have designated drop-off or pick-up locations, but Peoria Sports Complex recommends using Stadium Way off 83rd Avenue. Vehicles may be required to relocate as requested by Peoria Sports Complex.

## Ticket Resales

Guests that purchase tickets from someone other than Peoria Stadium Ticket Office or our authorized ticket provider Tickets.com, do so at their own risk, as tickets could be counterfeit or invalid. The Ticket Office will not refund or replace invalid tickets purchased through a secondary provider. Ticket reselling is not permitted near the Peoria Stadium entry gates or Ticket Office.
